

After School Clubs

Dear Parent / Carer

Hello ! I hope that you will find this little booklet helpful with regards to the clubs available to Springfield children. We are very lucky here at Springfield to have access to a programme of after school activities for all children.

Please be aware that many of the Clubs are run by the organisers themselves and **NOT** the school. These organisations have their own insurance, administer their own first aid which means that in the case of an event, such as injury, the organiser concerned would be liable and not the school. These providers also administer all their own Club payments, which are paid to their representatives running the sessions and they will provide you with further details on their preferred method of making payments. Please note that we are not able to take payments on behalf of the external Club organisers – Dance, Fun, Karate, Gym, Chesswood and Football.

The Years 1 & 2 are able to attend the available Clubs from September, with Reception children offered enrolment in the January at the start of the Spring Term. If you are interested in your child attending a Club, you should follow the application details for each Club as provided on our website. They will then contact you direct regarding enrolment. The organisers will also let you know if your child can go on a waiting list once all places have been filled and will contact you direct when a place becomes available. It is vital that you ensure the organisers have your up to date contact information, e.g. home & mobile telephone numbers, email address and any relevant medical requirements for your child. You should also liaise with them direct regarding attendance/absences at the club and payment. If a child does not attend the club regularly, is absent or does not pay for over 2 weeks their place may be given to a child on the waiting list.

Please note that children attending the After School Clubs **must be collected promptly** at the end of the session as there will be no facility/supervision to cater for the children after this time.

School Run Clubs : Cookery payments **must be** made *in advance* of each half term's course in order to confirm acceptance of a place. Payments can either be put in a named envelope and handed in to the Business Manager, or online via Schoolmoney.co.uk. Cheques for a School run club should be made payable to Springfield Infant School. If payment is not received within before the session starts, it will be viewed that the place is not required and will be offered to the next child on the waiting list.

If you child has confirmed entitlement to Pupil Premium Grant (**PPG**) they would be entitled to one free Club place. For more information please contact the school office and ensure we are kept updated if your child attends any After School Club.

Impact of the After School Clubs.

- The clubs extend and enrich our curriculum
- They provide additional time for a range of health enhancing, performance and sport related activities
- Provide additional outlets for the children to develop and improve their social skills and friendship base.

Kind regards

School Secretary

Cookery Club is a 4 or 5 week course where the children are able to experiment with food and use a variety of recipes to develop various skills. Fruit and vegetables that are in season are used so we can talk to the children about where food comes from, about the seasons and how this can influence what we cook according to cost. Measuring skills are also applied so the children learn how to measure out ingredients and talk about different measurements used in the kitchen. Hygiene and safety in the kitchen are also taught, including how to use the equipment, knives, etc. correctly. At the end of the course children will bring home a folder of the recipes they have cooked and there will be lots of room to add their own recipes. We hope the Club gives the children an opportunity to have fun with food while being taught a variety of skills.
