

Springfield
Infant School

“Space to grow and wings to fly”

Our aims are to create a safe, caring, stimulating and challenging environment in which the potential of every member of the school community is fully developed and each individual achieves success and satisfaction.

Springfield is a fully inclusive school and ensures equality of opportunity.

We want to prepare children for life in modern Britain,
enabling them to develop:

- ◆ Lively and enquiring minds
- ◆ Knowledge, experience and understanding of the world that they live in
- ◆ Skills and attitudes to become independent, co-operative and life-long learners
- ◆ Self-respect, respect for others and the environment and belief in their own abilities
- ◆ Creativity and enterprise
- ◆ Skills to make choices to develop a healthy lifestyle
- ◆ We fully encourage parents/carers involvement in their child's education
