

Cup and Ball

Supplies

- A paper cup
- A sharp pencil
- Sticky tack
- Sticky tape
- Scissors
- String
- Tinfoil
- Pens or crayons

Step 1. First, decorate around the sides of the paper cup using pens or crayons. You may like to draw pictures or patterns or just colour the cup.

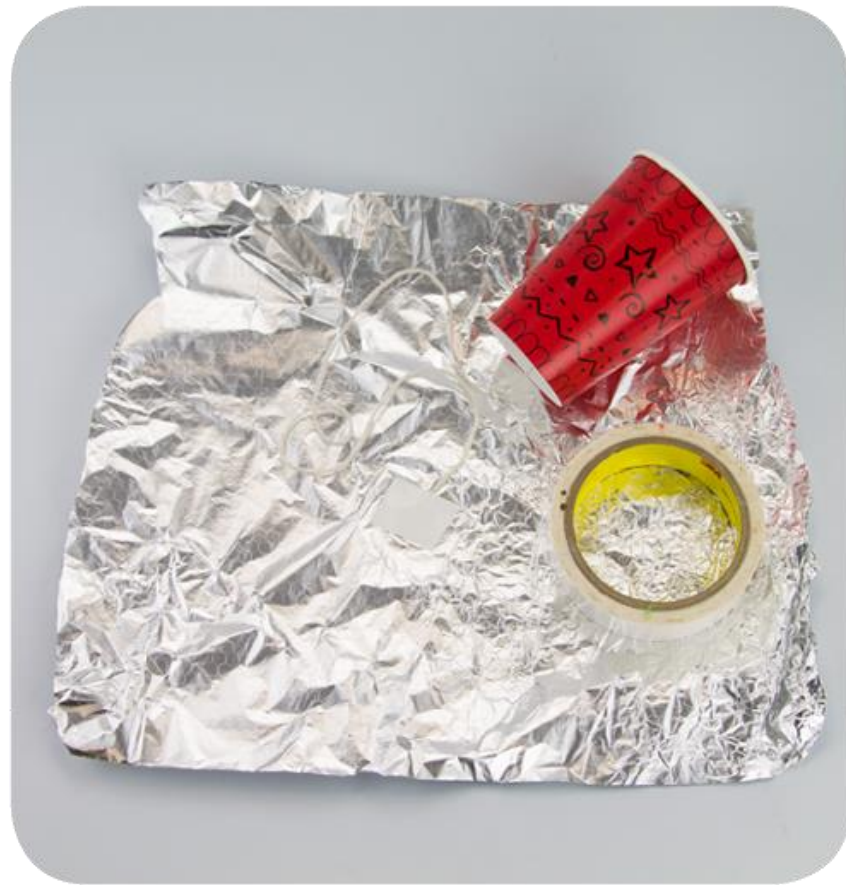

Step 2. Next, ask an adult to help you make a hole in the bottom of the cup. Put the cup onto a ball of sticky tack and then push a pencil through the bottom of the cup and into the sticky tack.

Step 3. Then, cut a length of string about 50cm long.

Step 4. Next, thread one end of the string through the hole in the cup. Tape one end of the string inside the cup with the rest of the string on the outside of the cup.

Step 5. After that, tape the other end of the string in the middle of a sheet of tinfoil.

Step 6. Next, scrunch the foil sheet around the end of the string to create a ball. (Making sure that the ball is small enough to fit inside the cup.) Now you can try to catch the ball in the cup by swinging and flicking the cup!
